FROM THE EAST

Brethren,

March has flown by and we have had a flurry of activity. Degree work is picking up and as I type this we are getting ready to raise one new brother on the 24th and pass a brother on the 29th. I am excited that we are getting off the ground. It proves to be a busy year. We should be caught up with last year's degree work by the middle of the year if we do everything right.

Some brothers are stepping up to learn parts of our ritual and I greatly appreciate that. We have a serious need for brothers to learn the ruffian and Fellowcraft parts for the MM degree. Some of these are rather easy and others require a lot of talking. If you are interested in getting more involved in these or any other roles, please let me know and we will work out a schedule to get you trained. Ideally we would have at least two people who know every part but if I can get just one more in each role that would help out immensely.

In April we have some wonderful programs. April 7 will be District Masters Night at Cherrydale. The district masters will sit in the seats and we will have a special presentation by Wor. Steve Banowit of Concord Lodge, who is a fantastic speaker and all-around great guy to meet. On April 21 Wor. Bro. Banowit will visit again, this time in his capacity as DEO, and will have a topic on Masonic education for us.

Please join me for a fraternal visit on April 19 to Concord Lodge for Rt. Wor. Eek's homecoming to his mother lodge. After the meeting we can adjourn to the Vienna Inn for further fraternal relations over a soda pop or something.

Upcoming events we will have include a family picnic or cookout or something in the summer and an ice cream social, following on Bro. Strait's very successful event last year. We will also have a Bring a Friend Night, which is an opportunity to bring a friend whom you would like to introduce to the fraternity. There is no hard sell or anything, simply an informational program with questions and answers. I will have dates for all these events for you soon.

Carl E. Weaver
